

# Caroline “Cari” Favole, PMP®

## Certified, Dynamic, and Versatile Project Manager

Experienced professional specializing and certified in Project Management with a strong background in Customer Relations and Communications. Proficient in overseeing diverse project coordination tasks, content development, and video production across various settings. Skilled in orchestrating seamless collaboration among cross-functional teams to achieve strategic business and production goals. Proven expertise in elevating social media engagement and retention, enhancing client success, and ensuring superior product quality through adept software utilization. A proactive leader with a track record of successfully implementing major projects to drive organizational success.
